Are you looking for a holiday programme to develop your child, grow their leadership skills, get them thinking outside the box? We offer a fun challenging week of activities to inspire young leaders and give them the tools to create opportunities.

MONDAY: This week is all about Leadership and developing new skills. Today you will meet the rest of your TEAM that you will share this experience with. Get ready for a week of fun and adventure.

TUESDAY: Let's go bush!! Ever wondered how you would survive if you got lost in the bush? Today is all about learning some handy bush survival skills that will have you working as a team to achieve the task.

WEDNESDAY: Fancy yourself as a bit of an adventurer. How about testing your skills and strength today with some outdoor climbing?

THURSDAY: Be prepared to get wet today, this fun packed day will have you slicing through water at both speed and a slower pace.

FRIDAY: Who doesn't like an Amazing Race? Today you are going to design a game that will challenge the other team. What team will use the skills gained over the week to help them? Who will win the race?
