

# UNIT STANDARDS IN SCHOOLS

## Why WILSS?

Our commitment is to provide comprehensive, quality resources to teachers so they can support their learners to successfully complete Unit Standards and facilitate their achievement of credits towards National Certificate of Educational Achievement (NCEA).

Our suite of Unit Standard resources are generally focussed on their integration within the sports department of schools, with each Resource Pack containing a Teacher's Guide, Marking Sheets, Student Assessments, Evidence and Judgement Statements and Teacher Sample Answers.

## Our Key Distinctive

If your School does not have consent to assess, the assessments are first marked by your teachers, then sent to WILSS who verify/moderate the results, a report is created and sent back to the School and the School then uploads the results through your Kamar system to NZQA.

## Costs

If your School **does** have consent to assess:

- each Resource pack is \$300 + gst and can be used with as many students within an academic year.

If your School **does not** have consent to assess:

- each Resource pack is \$300 + gst and can be used with as many students within an academic year;
- once the results are verified and a report is issued, the results are then uploaded to NZQA, and an assessment fee of \$1.25 +gst per credit reported is charged.

# UNIT STANDARDS IN SCHOOLS
